

This is a message from the Shimane Prefecture Nuclear Power Safety Policy Division.

As part of the 2017 Shimane Prefecture Nuclear Prevention Training, we will send a regional mass email.

The email will be sent on Sunday, November 19th, at approximately 8:30 a.m. to Matsue, Izumo, Yasugi, Unnan, Yonago, and Sakai Minato residents' phones. However it is not necessary to evacuate or take emergency measures. Please also be aware that your phone will ring loudly once the email has been sent to your phone.
